Roosevelt Says the Democratic Platform Stands For Anarchy.

JAMESTOWN, N. Y., Nov. 2.-Governor Poosevelt was shown a newspaper today in which was published a rumor that he was on the verge of a collapse from excessive work in the political campaign. The Governor goodhumoredly said his weight and general appearance were sufficient denial of the report, adding that he was actually in the best of health. It is believed that the rumor arose from the fact that the Governor wrote to New York city that he might be excused from speaking on Saturday, and that the trip through Long Island, scheduled for Monday, be cancelled, as he wished to finish his speech-making in his nome village of Oyster Bay Monday night.

The Governor and his party left here at 9 o clock, bound for Oswego, with many stops scheduled on the way.

OLEAN, N. Y., Nov. 2.-The Roosevelt car made its first stop at Randolph, where the Governor spoke briefly. At Olean the Governor said in
